CS 406ci Series

COLOR MULTIFUNCTIONAL
SYSTEMS

**BIG POWER
NOW COMES IN
A SMALLER SIZE.**

Kyocera Technology

FINALLY, AN MFP THAT CAN GROW WITH YOUR BUSINESS.

Your business is constantly evolving. Shouldn't your multifunctional printer (MFP) be able to do the same? To meet these demands, you need a complete document solution that integrates directly with how you do business. Look no further, the CS 406ci Series brings new meaning to highly efficient business performance.

The CS 406ci Series combines exceptional functionality to streamline your document processes with the vivid color you need to

get your message seen, all in a compact footprint. These MFPs can be easily customized to fit your office workflow needs, and be part of a balanced Total Document Solution (TDS) approach, which helps you streamline your entire document workflow to reduce costs and increase efficiency. And with scalable configurations, you can combine the right paper handling, finishing and workflow solution capabilities to meet your business needs.

THE INNOVATION YOU NEED, IN THE COMPACT SIZE YOUR OFFICE SPACE ALLOWS.

The new CS 406ci Series from Copystar is the first MFP to combine the high volume capacities and advanced paper handling options of larger devices with the easy installation, smaller footprint and flexibility of a compact MFP.

USER FRIENDLY TOUCH DISPLAY

The CS 406ci/356ci feature a 7" color touch screen display with a tablet-like home screen that enables easy customization and navigation.

SCALABLE PAPER HANDLING

Standard 600 sheet capacity can be expanded up to 3,100 sheets to support longer jobs, and different types of media.

ADVANCED FINISHING OPTIONS

300 Sheet Internal, 1,000 Sheet and 3,200 Sheet External Finisher options are available to fit your work environment, and professional output needs.

EXPANDED PRODUCTIVITY IN A COMPACT DESIGN

The CS 406ci Series is highly customizable and empowers your workforce to leverage information where & when they need it most.

Vivid Color Quality. Produce color documents at up to 1200 dpi. Whether printing a simple text document with a color company logo or a full color document, you'll get exceptional quality every time.

Mobile Accessibility. Puts print, scan, and send features at your workforce's finger tips through applications such as KYOCERA Mobile Print, Apple AirPrint™, and Google Cloud Print™.

Scan documents at up to 120 images per minute with the optional Dual Scan Document Processor DP-5110.

Reduce time looking for information in documents with optional OCR, which converts documents into electronic searchable PDFs.

Convenient Print-from and Scan-to a USB thumb drive directly from the touch screen control panel.

Print and share frequently-used information with Secure Document Box on-board hard drive storage.

Simplify IT Management with remote printing and file sharing, and access device status and set-up from anywhere on the network using Command Center RX.

Compact footprint. Space-saving base dimensions of only 21.65" x 19.96".

MAKE WORK EASIER.

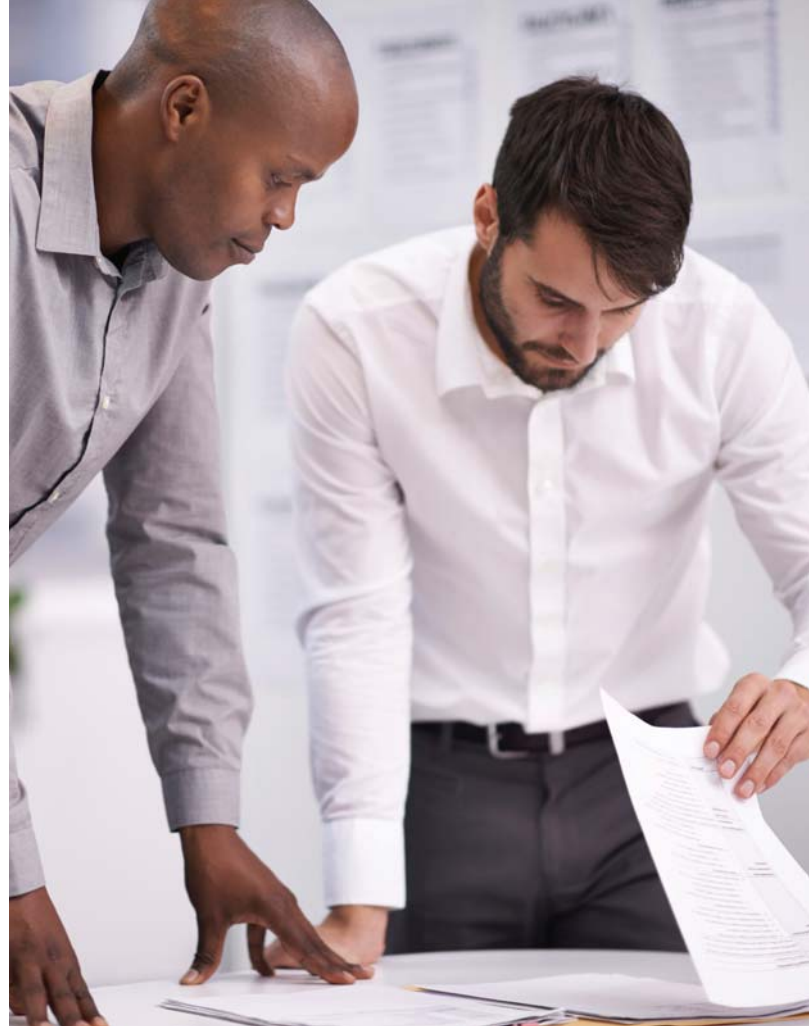

Copystar offers a robust portfolio of Business Applications that seamlessly and securely integrate with Copystar MFPs.

The CS 406ci Series combines proven productivity with a highly scalable architecture to keep your information flowing. From mobile and cloud, to cost control and security solutions, Copystar is committed to providing our customers with enhanced business applications, powered by HyPAS, Copystar's robust software development platform.

SECURE YOUR DOCUMENTS

Concerned about unauthorized access to confidential information? The CS 406ci Series offers both standard and enhanced security features to protect sensitive documents from getting into the wrong hands.

- **PDF Encryption** restricts access for displaying and printing PDFs by assigning a secure password.
- **Private Print** function with password protection and user authentication.
- **Optional Data Security Kit** for overwrite and encryption.

PROTECT THE ENVIRONMENT

The CS 406ci Series dramatically reduces waste, energy consumption, and related costs without compromising productivity and features:

- Unique, patented **long-life technology** and consumables.
- Manage your energy costs. **Programmable Energy Saver** function, and **Low Typical Electricity Consumption (TEC)** values support your goals.
- **Energy Star compliant**, with **Low Power Mode** and **Sleep Mode** settings.

SMALL PACKAGE. MANY OPTIONS.

The CS 406ci Series offers scalable configurations that match functionality – such as paper handling, finishing capabilities and business applications – to your needs.
